# LEA DETERMINATION OF ELIGIBILITY AND COMPLIANCE STANDARDS FOR THE IDEA GRANT THROUGH MAINTENANCE OF EFFORT (MOE)

A founding principle of the Individuals with Disabilities Education Act (IDEA) Grant is to supplement, not supplant, local and state effort. This live webinar will address Maintenance of Effort (MOE) and examine both the Eligibility (budget) and Compliance (expenditure) Standards related to the Grant.

The webinar will provide state-specific instruction on accurately completing a new tool, the MOE Calculator (an Excel spreadsheet), which will be required as part of the LEA Application for the FFY18 IDEA Grant moving forward. The tool will document, preserve, and test aggregate expenditure data required by the Grant. The webinar will also include an opportunity to ask questions.

The webinar will be archived on both the CSDE and SERC websites following the live broadcast.
