IEP Quality Training Participant Identified Additional Training Needs

Of the 2,281 respondents to the final training evaluation, more than half (52.3%; n = 1,193) identified *progress monitoring* as additional training need.

Roundtable Discussion

- How have you rolled out CT-SEDS training in your district to date?
 - What worked / What hasn't worked?
- What additional training or collaborative activities do you have planned moving forward for further training of staff in September or beyond?
- What additional training or technical assistance support do you need for your district (from CSDE or RESCs)?

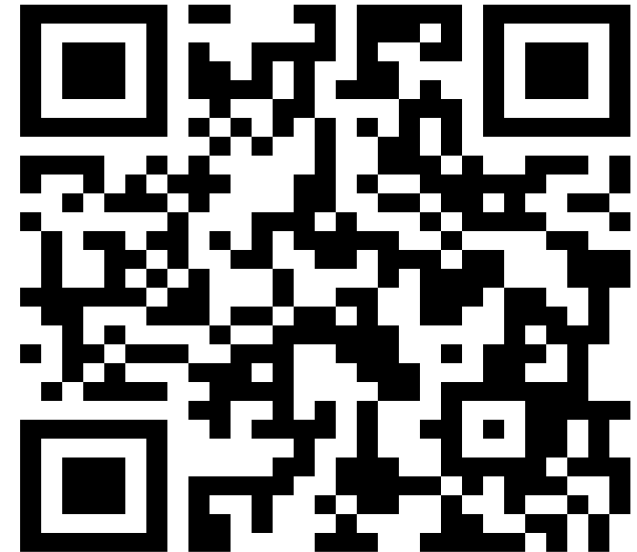

Padlet Share Out

The screenshot shows a web browser window displaying a Padlet board. The browser's address bar shows the URL serc.padlet.org/sworah/rs8qu56qy.... The Padlet board is titled "Internal Training Design" and was created by Smita Worah 42 minutes ago. It contains three text input boxes for user responses:

- Box 1: "How have you rolled out CT-SEDS training in your district to date? What hasn't worked?"
- Box 2: "What additional training or collaborative activities do you have planned moving forward for further training of staff in September or beyond?"
- Box 3: "What additional training or technical assistance support do you need for your district (from CSDE or RESCs)?"

An "ADD SECTION" button is visible to the right of the third box. Each box has a small "+" icon below it, indicating it is a text input field.
