Dear Agency Ethics Liaisons,

Since some of you are not filers, I wanted to share the notice below that was being sent today to all SFI filers that have not submitted their 2019 SFI. Please do not hesitate to contact me if you need assistance.

Notice
Office of State Ethics
NOTICE OF STATEMENT OF FINANCIAL INTERESTS FILING
Due: On or before July 1, 2020

May 1, 2020

Dear State of Connecticut Employee/Public Official:

Your 2019 SFI must be filed with the Office of State Ethics on or before July 1, 2020.

The Office of State Ethics, in response to the ongoing public health emergency involving COVID-19, and pursuant to [Executive Order 7M issued by Governor Lamont on March 25, 2020](#), has extended the filing deadline for a period of 60 days to July 1, 2020 for any filer who is was unable to meet the May 1, 2020 filing deadline. Because the public health emergency is continually evolving, the Office of State Ethics will adjust this directive, if necessary, and will work with every SFI filer who needs assistance in fulfilling his or her filing obligation.

According to our records, you have not submitted your 2019 SFI and are required to file a Statement of Financial Interests ("SFI") with the Office of State Ethics this year.

You are required to file because:

1. You hold a position identified in the Code of Ethics (General Statutes section 1-83) as one for which a SFI must be filed; or

2. the head of your agency has designated you as someone who must file a SFI.

The Office of State Ethics has no authority to change this designation. Only your agency has this authority, and if you believe you should not be required to file the SFI, or have any questions as to why you were identified, you must address those concerns to your Agency Head or your [Agency Ethics Liaison](#).

If you have received this notification and are able to file your SFI, we encourage you to file electronically:
