CSDE Updates

Bureau of Special Education

- *SERC and the RESC Alliance cadre of trainers are completing their final round of IEP quality trainings as the school year comes to a close. This summer, trainings for district educators on the new CTSEDS IEP data system will take place. IEP quality trainings will resume in August and will continue through the 2022-2023 school year.*
- *SERC is in the process of finalizing the program budget for all of the proposed CSDE/Bureau of Special Education program activities to begin implementation on July 1, 2022.*
- *SERC will continue to be a critical partner with CSDE to support the Attendance and Engagement, Alternative Schools, Charter Schools and Turnaround Office programming work for the 2022-2023 school year.*
- *SERC continues to be responsive to support the CSDE with any requests for project coordination/facilitation/technical assistance to support their efforts on behalf of students, educators and families.*
- *To date, we have updated all of the special education assessments inventory across all domain areas in our SERC library for educators to peruse and borrow to support their work with special education students. <https://ctserc.org/library>*
