Q. My company is interested in responding to the RFP. However, we are a company that is based outside of Connecticut; can we still apply for funding?

A. No, the organization applying for funding must be based in CT based since, as the Parent Trust Fund is funded by state dollars.

Q. Will the Parent Leadership/Parent Trust Grant funds be used to run the Abriendo Puertas/Opening Doors training program?

A. No, the Abriendo Puertas/Opening Doors is not eligible to receive funding, as the Parent Leadership/Parent Trust Fund Grant is restricted to funding only parent leadership training programs and cannot fund parent education training or classes.
